Assessment against NPPF LGS criteria	
In reasonably close proximity to the community, it serves	Central to the village.
Local character and not an extensive tract of land	Yes. Partially defines the village with the main cluster of dwellings surrounding the pond.
Demonstrably special to the local community and holds a particular significance, for example because of its beauty, historic value, recreational value (including as a playing field), sense of tranquility, richness of wildlife	Located between two sharp bends in Marsh lane, surrounded by dwellings of the same Victorian period, the pond offers a tranquil spot with wildlife, though admittedly spoilt by the current excess of through traffic.
